I. Nemek közti esélyegyenlőségi terv a gyakorlatban (EN: Gender equality plan in practice – in Hungarian)

Helyszín: 231-es tárgyaló, NKFIH Nemzeti Kutatási, Fejlesztési és Innovációs Hivatal, 1077 Budapest, Kéthly Anna tér 1., II. emelet és online

Dátum: 2022. november 30., 9.00–13.00

Regisztráció: 2022. november 28-ig

A rendezvényt elsősorban azon intézmények munkatársainak ajánlják, amelyek már elkészítették, vagy még most készítik a nemek esélyegyenlőségét elősegítő, a Horizont Európa programból történő kutatás-fejlesztési és innovációs pályázati támogatások odaítélésének kötelező kritériumát jelentő intézményi stratégiai dokumentumokat és akciótervüket.

A rendezvényen való részvétel ingyenes, de regisztrációhoz kötött, egy intézménytől több résztvevő is csatlakozhat.

II. New funding calls under the Digital Europe Programme to boost cyber resilience

[The Digital Europe Programme](#) (DIGITAL) is a new EU funding programme focused on bringing digital technology to businesses, citizens and public administrations.

The calls are open until 15 February 2023. More information [here](#).

III. CEF Energy opens call for works and studies for cross-border renewable energy projects

On 8 November, CINEA launched the first call for Works and Studies for cross-border renewable energy projects.

Applications are open until 23 February 2023. [More info](#)

The Commission Delegated Regulation establishing the first list of selected cross-border projects in the field of renewable energy entered into force on 17 November. This represents a milestone for the sector as it gives the opportunity to the selected projects to apply for funding for works & studies under the RES window of CEF Energy. [More info](#)

IV. Call for applications for candidate projects in all categories under new Energy Infrastructure Regulation

The Commission has opened a call for applications for energy infrastructure projects under the new Trans-European Network for Energy (TEN-E) Regulation.

Running until 15 December, the call covers all energy infrastructure categories, including candidates for Projects of Common Interest (PCIs) and the new Projects of Mutual Interest (PMIs). [More info](#)

V. Call for Expression of Interest to run the „Clusters meet Regions” workshops

[The European Cluster Collaboration Platform](#) will coordinate a further 13 European ‘Clusters meet Regions’ workshops in the second half of 2022 and throughout 2023 and launched a [Call for Expression of Interest](#) to select the national/regional authorities and cluster organisations to run each of these important events. The deadline for application is 2 December 2022, at 18.00 CEST. More information [here](#).

VI. The 2nd meeting of the European Mission Network (EMiN) – Making missions work - How to involve regions in the mission implementation process?

The 2nd meeting of the European Mission Network (EMiN), set up by the [TRAMI](#) project, will take place online on 7 December 2022 from 13:45 to 16:00 CET.

This meeting will focus on “*Making missions work - How to involve regions in the mission implementation process?*”.

Registrations are open until 2 December via this [email: info@missionnetwork.eu](mailto:info@missionnetwork.eu).

VII. OpenAIRE strategy launch event

[OpenAIRE](#) organises its [strategy 2023-25](#) launch event on 29 November 2022 from 14:00 to 15:00 (CET).

OpenAIRE has been rapidly expanding and growing the last few years, since it is a legal entity, with a clear mission and vision to operationalize the shift of scholarly communication towards openness and transparency and facilitate innovative ways to communicate and monitor research. Driven by Open Science and consolidating the collective knowledge and commitments from OpenAIRE members they’ve recently launched the first OpenAIRE strategy (2023-2025) that will outline and guide their work and ambition for the next three years.

During this launch event they will present the strategy as well as the road leading up to it, explore how to build strong partnerships and align efforts in shaping the future of Open Science in Europe, with the objective to deliver a sustainable, user-friendly infrastructure that focuses on interoperability, quality assurance, and innovation.

VIII. GREENET, the Network of National Contact Points for Cluster 5 “Climate, Energy and Mobility” launches a survey to identify stakeholders’ needs

GREENET supports organisations for the transformation towards climate neutrality, cross-sectors solutions for the climate transition, sustainable, competitive energy supply, efficient sustainable and inclusive energy use and clean, safe and smart mobility in Horizon Europe (HE) framework programme.

If you work in the fields of Climate, Energy and Mobility, your participation in this online survey is a great opportunity to share your experience and knowledge and be involved in the co-design of possible solutions for tackling challenges that may hinder your participation and performance in Horizon Europe and specifically within the frame of Cluster 5 calls. Your answers will provide useful insight regarding the services currently provided and will allow our network also to adjust and improve them in line with the main findings.

It only takes 3-5 minutes to fill in the survey and **it will be open until 30th November 2022**. To access the survey, you need to provide a password. Please type the following: 12345.
